Allowable Subject Matter

1. Claim 66 is allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claim 66, the cited prior art of record fails to disclose a method for fabricating a semiconductor device comprises the step of forming a second insulating film which covers the metal material formed in the concave section with the first insulating film being removed. The closest cited prior art of Sasaki et al (US 5,607,718) discloses the step of forming a second insulating film 70 covers the metal material 65 formed in the concave section with the first insulating film 62 not being removed (fig. 28)

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
